Academic Advisor Panel

The Faculty of Education has established an advisory panel to guide and provide support to students with both academic and personal problems. Students under academic probation are also monitored by this panel. It is the panel's aim to facilitate students' personal, emotional and educational enhancement.

Additionally, those who are academically excellent can also be monitored and further developed for competitions locally or internationally. Students may directly contact the Deputy Dean (Undergraduate Studies) or any member of the Panel through the contact details provided.
